

Connecting Neighbors. Changing Lives. Feeding Families.

Become a Community Sponsor Today!

Dear Friend,

Each year, The Open Link provides essential services to our community, including a food pantry, senior center, Meals on Wheels, adult education, employment counseling, and so much more. Over the last year, we were able to serve **more than 1,000** people per month in our pantry, deliver **13,271** hot and cold meals through Meals on Wheels, help **more than 100** households with emergency assistance, and share **more than 20,000** breakfasts and lunches with our local kids throughout the summer.

The Open Link is the **ONLY** social services provider in the Valley, and each day we are being called on to do more in our community. We help those who are unhoused, provide employment counseling to those seeking work, are a friendly face and serve a hot lunch for the seniors who've come to rely on The Center, and even more. We want to make sure that we are there for our community, but we can't do so without your help.

Would you consider supporting the 2026 Community Sponsorship Campaign?

We're working to raise \$200,000 so that we can continue to provide essential services to our neighbors in need. Will you help us reach our goal?

There are so many wonderful opportunities to showcase your sponsorship in 2026, including social media promotion, press opportunities, video promotion, increased visibility, and tickets to our exclusive events.

The Open Link was created by this community and for this community. We are proud to say that approximately 85% of our support comes directly from our community and partners like you. We hope you will consider joining the group of more than 90 businesses, faith groups, and organizations that support our work each year.

Sincerely,
Marianne G. Lynch
Executive Director
